

# TPMS Band Boosters

## What We Do

The TPMS Band Boosters encourage and promote the success of the TPMS music program by increasing awareness of events and raising funds to provide the best opportunities for every band student.

## What Are Our Goals

The goal of the TPMS Band Boosters is to promote and encourage instrumental music and support the associated activities related to the Twin Peaks Middle School Music Program. The purpose is to promote the opportunity for all TPMS music students to explore their creativity and to expand their talents for the future!!

## Why We Have Fundraisers

All proceeds from all fundraisers go directly to the TPMS music program. The Band Boosters organization raises resources to cover the music program expenses above what the school district provides. Funds for are used for specific and immediate needs like music, purchase and repair of school instruments, photocopies, ink cartridges, reeds, mouthpieces, and music festivals, as well as, ensuring that all students who wish to participate have the opportunity.

## What You Can Do
